English Translation

[English words written in Latin in the original are indicated in *italics* in the translation]

Saturday, *noon*

Dear son!

Received the letter today. The *mail* was at the *factory*. The *mail* man was not able to get through, yet. Therefore, I was not able to send your letter. The snowplow [driver] wants the farmers to help him shovel the deepest spots. We are thus isolated from the world. Today it is a little warmer, though. Everything else I wrote in the letter. Albert said that they will go to *Juneau* by sled. Then Norman will join them. He must go to the dentist. Leo's car is snowed in.

With love,

Ma
