

German-Language Transcriptions, Translations, and Tutoring Services

The following individuals provide transcription, translation, and/or tutoring services for a fee. They are not affiliated with the Max Kade Institute.

- **Handwritten historic (family) documents in the Old German Script:** In most cases, you will need a character-by-character transliteration (transcription) from the old script to modern German type first, before a translation into English (or any other language) can be done. You might want to consider two different experts for these very different skills.
- **TTT Service Providers:** If you provide German transcription, translation, or tutoring services and would like to be added to this list, please contact Antje Petty: apetty@wisc.edu.
